

PURE BEACHSIDE ELEGANCE

2 EXCLUSIVE OCEAN
VIEW APARTMENTS

I N T R O D U C I N G

White Sands

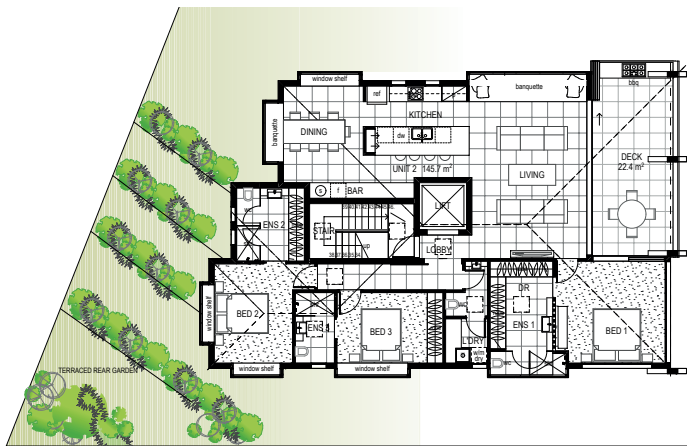

Our Crank St project sits in the rarest pocket of Queensland's most desirable postcode with a design that accentuates all that is Sunshine Beach, a village hemmed in by the blinding blue Pacific Ocean, and the dense greens of Noosa National Park. These sophisticated beachside apartments sit right at the heart of a village that leads the way in coastal style and design, an area famous for its marriage of the built environment to the natural environment.

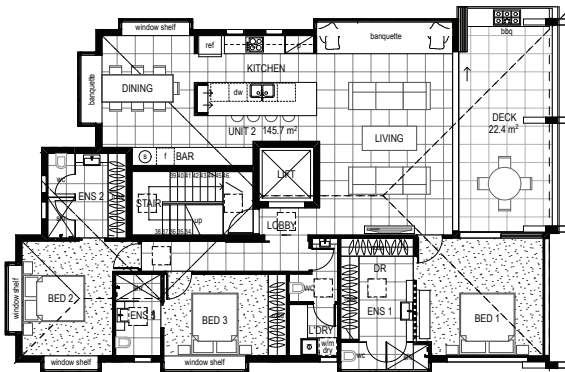

White Sands

Apartment 1

Apartment 2

For this elevated beachside development, MBC have joined with revered designer Stephen Kidd to create the ultimate joint vision, a development that's native to Sunshine Beach and brings a peerless sophistication and elegance to beachside living. Living the beach lifestyle simply does not get any better, anywhere.

- Ocean views
- Whole floor apartments
- 3 bedrooms, 3 bathrooms, designer kitchen
- Spacious interiors, large outdoor terraces
- Private pools for each apartment
- Spacious garaging for 2 cars,
- Ample storage for surfboards and beach equipment
